## EDUCATION

### **L.J Institute Of Engineering And Technology**

BE - Information and Communication Technology

CGPA: 9.33/10 (SemVI) Year 2020-2024 (GTU)

### **Class 12th - Sharda Mandir School**

March - 2020

Percentage: 80%

## EXPERIENCE

### **InfoLabz IT SERVICES PVT. LTD.**

Ahmedabad, Gujrat

- I had done my summer internship at InfoLabz in the domain of Data Analytics and Machine Learning. (Jul 2023 - Aug 2023)
- My role is to do preprocessing and the analysis of the data using Machine learning algorithms.

## POSITION OF RESPONSIBILITY

### **CORE TEAM MEMBER OF L.J.S.C**

- LJSC is the Lok Jagruti Student's Corner which is the cultural committee for managing Events, Festivals etc. of LJ College.
- Conducted the cultural festival LUMINA - 2023 in which my role is to handle different domains like Marketing & Finance, Social Media, Designing Etc.

## SKILLS

- Understanding of DSA
- Experienced with python libraries : Numpy, Pandas, Data Visualization
- Familiar With HTML, CSS, and JavaScript
- Understanding Of Basic SQL Queries

## ACTIVITIES

- Participated in "Hackthisfall" hackathon held in Karnavati University.
- Had Volunteering at College Festivals:
  - Lamhe 2022
  - Kalanjali Youth Fest

## ACHIEVEMENTS

### **Hackathon Winners at Nirma University**

(April 2023)

- Event Name: HackNUThon
- Team Name: Quad.JS (4 members)
- Track Sponsor: Tech Holding IT Company
- Our Mentors: Krishnal Jadav, Vaishali Buch
- Our task is to build a Middleware API that could convert data from one form to another into various client types, like XML to JSON, and use GraphQL to map JSON. We have used MongoDB to efficiently store client info.
- My Role is to use GraphQL query language which accepts the data in the form of XML and maps to json format, and vice versa.

## PROJECT

### **The Student Portal**

- Team Name: Academic Ace (4 members)
- Our goal is to make a student portal which is centralized, anyone in institute can have their Account and see all academic details.
- My goal is to do some frontend work on the webpages like Result, landing page.
- Link: [Academic Ace](#)

## Industrial Visit

### **E-Infochips PVT. LTD.**

Einfochips is a leading global provider of product engineering and semiconductor design services.

I just got to know about different IoT devices.
